Parent Parent and Teen Driver

PARENTS' AGREEMENT

I promise to help my Teen Driver learn how to drive by using love, patience and support. I understand and accept that this is a learning process and promise to do everything in my power to be a good role model and understanding instructor. I also pledge that I will be encouraging rather than critical, that I will demonstrate patiently, rather than complain. I will be patient and allow my Teen Driver to progress at his/her own speed and will not try to rush or hurry the process. I recognize that learning to drive is a mental AS WELL AS a physical skill that needs to be nurtured and practiced – in a loving and supportive manner.
